DISCRIMINATION AGAINST INDIANS - Canadian official of American attitudes toward Negroes should consider Canadian attitudes toward Indians, states Mrs. R. Johnston, president of the Farm Women's Union of Alberta.

In an article published this week in the F.U.A. official organ, "The Organized Farmer," Mrs. Johnston took issue with her fellow citizens who have become absorbed with the fight for civil rights in Alabama, but have forgotten that many native Indians still meet discrimination in Alberta. "The Indians are not different - a people apart," she says. "They are a part of our total community and should be treated as such."

Each year, the F.U.A. will be conducting a "Canadian Citizenship Camp" in co-operation with the Citizenship Branch of the Department of Indian Affairs. The camp is an attempt to do something practical to develop better understanding between members of Alberta's cultural minorities, including native people, and members of the majority culture.

The Pioneer Camp in this series was held in 1962. This camp and those which have been held each year since, use facilities made available at the F.U.A. operated Gold-Eye Leadership Training Centre, 110 miles west of Red Deer, in the Rocky Mountain foothills. It is hoped there will be 40 students at the Citizenship Camp, to be held the first week of July, 1965.

"All rural people who are hampered by poverty and lack of education find it difficult to adjust to our rapidly changing society," states Mrs. Johnston, in her article. To counter this, she points out, "We will need future leaders. The aim of the F.U.A. Canadian Citizenship Camp is to provide a camping experience for rural young Canadians of various backgrounds which will enable them to understand themselves, to understand other people, to recognize the use of democracy and to develop their individual leadership abilities."

CNE

Although the C.N.E. is still some months away, now is the time to send for the 1965 Women's Prize List.

Nearly an additional thousand dollars is being given in prizes this year. As well as the regular competitions, two exciting and profitable ones have been added. In the Special Candle Making Competition, \$250.00 is being offered in prizes. And here is certainly something new - a knitting competition for tea cozies. First prize is \$50.00 - second \$25.00, and third prize \$15.00.

In the Handicraft section there are classes for pottery and ceramic sculpture, metal crafts, precious metals, wood carving, leather work and rugs. And to each class there is a special Grand Award for best of class.

Quite continue to be great favourite and there is a special show which includes section. As well, there are many other classes for varied types of Home Craft work. The Hat Making Competition which has increased in popularity over the past three years will be continued. There are special classes for week of the blind, hospital and persons and for Homes for the Aged and persons over 65 years of age.

Baking Day continues to be popular at the Exhibition and this year there are many classes for the enthusiastic cooks to enter. Many special awards will be presented. For the junior citizens there is a special for a two-layer white ice butter cake.

All prize-winning entries will be on display during

Exhibition inside beautiful Queen Elizabeth building which houses the Women's Division.

In order to obtain the 1965 Prize List, write to Mrs. R. Johnston, Women's Division, Canadian National Exhibition, Exhibition Park, Toronto 7-9, Ontario.

CHAMBER OF COMMERCE
(Cont. from Page 1, Col. 9)

Rev. J. J. Strachan reported for Committee appointed to investigate the needs of senior citizens in the area. Citizens in the area. Committee had met with Dr. Eastman of Edmonton on the subject of an auxiliary hospital for this district to accommodate needs of senior citizens for chronic nursing care. Dr. Eastman indicated that while the Government was planning more institutions of this type, that some were planned and present for the Drayton Valley area. He suggested further that a survey would be necessary to establish the need for such an institution. The Strachan reported further that the Committee had undertaken such a survey in the district. Results of which were not yet complete, but which indicated that need for an institution of this kind in the district did indeed exist.

Apportioned Frank Hoge, Second-aid Fred Hoge, that the committee headed by Rev. Strachan be authorized to make representation to the Minister of Health and the local V.I.A. on the matter of an Auxiliary Hospital or chronic nursing home at Drayton Valley to satisfy the health needs of senior citizens in the District.

Letter was read from Hon. Gordon Taylor, Minister of Highways to the effect that Government was proceeding with plans to complete David Thompson Highway N by 1967 or 1968, but that there were no immediate plans for construction of a Highway link between Drayton Valley and Nordegg.

Remember, a bingo could be won at any time in the immediate future, so don't get off your seat and bingo card sell later.

We urge each and everyone who has not yet purchased their bingo tickets, to do so immediately.

Yes, as well as we know, that without the support of the whole community and district, a service club cannot function effectively.

Make plans now, to attend something big in the Town of Drayton Valley on June 18 and June 19. Watch for future announcement.

Look for the Homecoming Services of the Canadian Red Cross, trained workers in 35 communities, visit homes where the mother is ill, and feed and care for the children and perform the house- hold tasks.

Tickets sale have been very

slow, particularly among local residents of Drayton Valley and district.

The Lions Zone B Bingo is one method of raising funds for Lions projects. We require a substantial sum of money in order to complete The Lions West Valley task and to carry out several other smaller projects. Unless bingo ticket sales increase tremendously in the next few weeks, these objectives will not be realized.

Remember, a bingo could be won at any time in the immediate future, so don't get off your seat and bingo card sell later.

We urge each and everyone who has not yet purchased their bingo tickets, to do so immediately.

Yes, as well as we know, that without the support of the whole community and district, a service club cannot function effectively.

The Chapel Hour

I HAVE FAITH IN GOD TO BRING INCREASE AND ABUNDANCE INTO MY LIFE.

IN HIS book *Prosperity*, Charles Fillmore says, "There is no lack of anything anyone in reality. The only lack is the fear of lack in the mind of man. We do not need to overcome any lack, but we must overcome the fear of lack."

You can overcome the fear of lack as you daily affirm abundance and increase in your life. Think positively and you will know what action to take to fulfill your needs. God will supply your wants as you recognize His prospering presence and follow His guidance.

As Jesus multiplied the loaves and fishes, you can multiply the store of good ideas in your mind. Think plenty, have faith, and you cannot help expressing His abundance.

Start now to affirm and assimilate this thought, "I have faith in God to bring increase and abundance into my life."

Positive thoughts lead to positive words, and positive words build faith in God to bring increase and abundance to you.

A faithful man shall abound with blessings. - Prov. 28:20.

I POUR OUT A BLESSING OF LOVE AND LIFE.

LOVE is the power that gives life and substance to our prayers for others. When we pray for others, the love that prompts our concern, that moves us to pray, makes our prayers effective. There is healing in love. The more love we generate in our prayers, the greater their healing power.

When we think of someone dear to us whom we should like to see restored to health, let us think of him with love. Let us bless him silently with a thought such as: "I love you, I bless you, I behold the Christ in you." Then the healing words we speak will be borne on wings of love. They will carry life, peace, and healing. They will accomplish the healing work that we have set into motion through our faith.

It is true, God is the healer, but His healing life needs free and open channels through which to flow. Our love clears the channels. Our love makes ready the heart and mind. Our prayers quicken the faith that accepts and enters into spiritual healing.

The prayer of faith shall save him that is sick, and the Lord shall raise him up. - JAMES 5:15.

A Way of Acting

A vision of the future has been one of the sustaining marks of the American experience. Without that vision and without the men who devote themselves to realizing that vision, there can be no true American way of life. We must beware of the thoughtless men who proclaim that a particular stage of our social development, or any special set of conditions, is the best that progress can offer. These men would limit its great challenges and chances pass us by, forgetting that the American way of life is a way of acting, not a state of inactivity. - C. W. De Kiewit.

Every soul on earth has easy access to Love through fervent and believing faith. So remember that you have the ability, the power to draw on Him for all you ever wish to be or all the good you wish to be expressed in your life. - Albert E. Cliffe.

THE BIBLE TODAY

In Uruguay our reporter notes that some colporteurs have started a systematic visiting of banks, public offices and stores with astonishing results. One said he had won more money than he had lost. They can all tell about a new and increasing demand for Bibles.

ABIDING FRIEND

I have a friend who stays close to my side. No matter what troubles or woes may beside. Yes, better, He lives and He dwells within me. Guides and protects with His love constantly. Oh, how I delight in the sound of His voice. His presence makes all of my being rejoice. To think He would condescend over to be. Counselor, friend, and redeemer for me. - Mrs. Jarvis Kellogg

"It's looking downward makes one dizzy." - Robert Browning.

Rudeness is a weak man's imitation of strength.

LUTHERAN CHURCH NEWS

The March 15th meeting of the Ladies Aid was held at the Ennisville Lutheran Church with good attendance.

Our topic, lead by the Pastor from the Ladies' instruction course headed "What Does The Bible Say" was very interesting. We will continue this study at our future Ladies Aid meetings.

Hospital visitors for April will be as follows: Rachel Anderson, Pearl Gutierrez, Freda Schuchter, and Crept of Douchette.
